

Certificate of Quality Assurance for Carbon Management and Offset Services

## Natural Capital Partners

### Statement from the ICROA Secretariat<sup>1</sup>:

The ICROA Secretariat confirms that **Natural Capital Partners** has successfully met industry best practice requirements in 2018, as set out in the ICROA Code of Best Practice for Carbon Management Services.

**Natural Capital Partners** has demonstrated its adherence to the Code of Best Practice by completing the required audit process for 2018, conducted by accredited body <sup>2</sup> ClimateCHECK.

Please see details of the Code here: <http://www.icroa.org/The-ICROA-Code-of-Best-Practice>

If you have any further questions, please do not hesitate to contact [diemert@ieta.org](mailto:diemert@ieta.org).
